Dear Parents

The P&C have been a little busy, working hard at the clearing sale and washing dishes last Thursday. The students of Bowenville State School thank you for your efforts, as it all goes into supporting them and the school. The input of the P&C and the school community is a valuable asset to any school, and one we very much appreciate.

A Great Day Out - Sports Day
The Quinalow sports day last Friday was a great chance to meet the other schools and enjoy time with the students outside of the classroom. All students should be commended on their behaviour, Fantastic!

Great to see the winning side based on school size was Bowenville SS, a magnificent effort students, and well done to all of the age champions and the participants on the day. Thank you to Quinalow for hosting the day, they couldn’t have planned better weather. Thank you to the staff for organising the students on the day, and the parents for getting the students there, a day worthwhile.

School Surveys
Don’t forget the school survey final date is this weekend, with the closing date being the 4th of August, so if you have not had a chance please jump on line and give us your feedback.

Thursday
I will working with other principals on Thursday in Dalby to develop a clearer picture regarding the direction the school data will lead us in the future. As time progresses I will be able to explore this information with the wider school community, helping to set the direction for the school leading into the QSR (Quadrennial School Review) later this year. If you have any Questions please do not hesitate to ask.

Mower
I would like to take the opportunity to thank Peter for putting in the leg work and sifting through the myriad of possible mowers that we could purchase to replace the current one. It has saved me countless hours of reading, and questions to suppliers. The staff at Bowenville SS continue to shine, with their dedication and have a go attitude. Thanks Pete.

Michael Sutton.
Term 3, week 3, and we are all working full steam ahead! Congratulations to Emily and Stella for completing the first 100 sight words! You are real champions!
Home reading was sent home with the homework; please spend at least 15 minutes each day on this.
Just a reminder: Please test your child’s spelling before the test on a Friday morning.
We are hoping that this would better the test results.
Thank you for all the parents who send communication devices to school; we are using them in our History Unit. The students were intrigued with most of these devices!
Remember our open door policy, we are always available to hear any concerns and support our students.

Have a great week,
Ronel & Kim.
