Kristen Awards

I had the pleasure of attending the Mayoral Awards on Thursday night. The list of students and achievements was incredible. The effort students put in every day to make life for their peers more enjoyable is nothing more than astounding.

It was humbling to hear the challenges many of the students had overcome, and uplifting to see the child behind the story receive the recognition for their efforts.

Kristen Magnussen was one of those students. Selected for her efforts and giving nature she was one of the students to receive a Mayoral Award. Kristen is one of many students that will go above and beyond, one of the many students that will put peers before self. Well Done Kristen, you deserve the recognition, and the chance to see mum and dad smile at your success.

Principal’s Message:

Dear Parents

The Focus for Bowenville State School Semester 2 2014
Reading, Attendance and Community Engagement Audit

A big thank you to all involved with the Audit on Monday. Mrs Colleen Hope had many good things to say about Bowenville State School. In the coming days we will receive the results of both the Curriculum and Discipline Audits. These documents will help us set the tone, and future direction for Bowenville State School. The audit process focuses on the shared knowledge within the school, and how well we all have an understanding of what is done, and how it is done, as well as the processes themselves. Education has and is undergoing a significant amount of change over the past years and to keep pace with current practice and ideas we need to continually evolve. In the coming weeks we will have a clear picture of where we need to head and how we are going to get there. To do this we will require support from all of the school community. We all have worked hard to build Bowenville into a good school, and this has been built over successive years, P&Cs and staff. Through the next QSR review process we will aim for great, tightening processes and sharing our practice, we are a small school with big results, let’s aim for huge.

Stemming from the Audits and a review of current data, a team will be put together to develop the ‘QSR’ the four year direction for the school. We will be seeking your input around key ideas, so please get involved and be a part of the process.

Camp Returned
They have returned. The camp kids have had a fantastic experience and are sharing stories. The increased noise and activity around the school is a welcomed change, and we did miss them. Thanks to Mick Kavney and the supporting staff for organising a fantastic trip for the Bowenville students.

Book Lists
Book lists will go out via email this week. We have also posted them on the school website for those that may wish to download them.

COMMUNITY EVENTS:

We are having a great time at the pool this week! Please remember to send sunscreen to school every day.

In English, have finished character descriptions in poems and we are working on writing a narrative. We started Shape dance two weeks ago but will only continue on that next week after swimming is completed. Students are working in a pair to create a dance using ideas about mathematical shapes and objects. We will start our Science Unit next week.

In maths, we are completing some standardised testing and will continue revising counting, addition and subtraction, multiplication, division, 2D and 3D shapes as warm-ups each lesson.

Homework was sent home on Monday. Please remember to read and do sight words with Prep/1 EVERY day.
Have a great week!

Ronel and Kim

PLAYGROUP

PLAYGROUP THIS WEEK—Playgroup on Wednesday 12th November.

Thanks Kim.

P & C News:

A special meeting of the P&C will be held tonight night, Wednesdays 5th November 7.30pm to discuss and proceed with options to promote and encourage more students to our school. This has come from discussions at the previous P&C meeting, and in light of lower numbers projected for next year as a result of losing year 7 next year, and families moving from the area. This meeting is for all present and future parents and all members of the community who are interested in the future of Bowenville State School. Please come along and let others know.

On Monday I met with Colleen Hope as part of the Discipline, and Teaching and Learning Audits she is conducting on behalf of the Department. It was good to see Colleen is herself, still a current School Principal and that the approach is not ‘big stick’, but encouraging a great school to be even better. It was good to hear that the students who went on the Tallebudgera Camp had a great time. It is a big advantage of our small school, that as a P&C we can increase the opportunity for students to attend this camp and other events by subsidising the majority of the costs. Of course this is only possible by the hard work of the P&C members and others at fundraising events.

From TADOMS catering we made approx $2500, and while this was down from last year, it was not from lack of organization or effort by all involved. Attendance numbers at the rally were lower, but patrons were still very satisfied with the food that was provided by us. Thankyou to the TADOMS committee for allowing us again to run the canteen.

This afternoon David Smith and I will again be practicing cricket with the students for the Jondaryan Carnival on Friday. This will be from 3.00pm until 3.45.

Have a good week
