Principal’s Message:

Dear Parents

This week is a very busy one for the staff. We have the Murray Darling Basin Authority coming today to do a video on the school’s contribution to the restoration of Oakey Creek at the Bowenville Reserve.

Tomorrow and Thursday Kellie Reid will be here conducting a system and financial audit and the school captains and I will be attending the Mayoral morning tea in Toowoomba on Thursday morning.

The school’s Annual Improvement Plan is due on Friday along with the Principal’s Performance Plan for the year.

The P&C will be coming in to play a fun game of softball with the students on Friday afternoon and then conducting a quick working bee to get the grounds into great order before the softball carnival next week.

I would like to thank Wainui for the load of silage for the front gardens and to Scott and Susan Radke for spreading it yesterday and for pruning some shrubs out the front. The school grounds are looking absolutely fantastic because of the initiative of Mrs Genis and our wonderful parents who are really keen to help. This gives the students enthusiasm to make sure they are kept watered. It has truly been a shared effort!

The next P&C meeting is next Monday night. Some items for the agenda are: School AIP; Softball Carnival; Toowoomba Show holiday on 27th March; GRG Agreement; School Excursion – in light of regional expectations for NAPLAN and End of Term Expo.

Last week we had the pleasure of a visit from Mrs Haylock and Henry. Mrs Haylock has indicated that she will be taking extended leave till the end of the year and will apply for a compassionate transfer. Therefore Mrs Genis will have her contract extended till the end of the year and next year’s staffing will be determined by numbers on Day 8 2015.

Have a great week everyone!

4-7 News:

We had a very busy past week. The little ones spend time with Noisy Nick, Harry Hat Man
and Fire-fighter Fred in Letter land and the year 2's are still working on spelling rules. This
week we discovered what happened when Sammy Snake and the Hat man meet each
other! (Sh ) We were egg detectives in Science and explored and matched eggs, using
evidence from handouts. Next week we will look at different life stages. Our history unit is
taking shape. Thanks to all the parents who sent in family photo’s. We are still looking at
ways we use to express time and ways to use a timeline.

Have a GREAT week!
Kim and Ronel
