Dear Parents

Behaviour Review
There has been the initial stages of referral to the SWPBS process. This the School Wide Positive Behaviour Support Program. As the process develops I will be letting the P&C know what is required and if we are successful. The SWPBS framework focusses on the positives within the school, highlighting and building on the good things the students do.

Soccer / Netball Day
This Friday, is the Quinalow Soccer/Netball day. The years 3 to 7 have been working hard, honing their skills thanks to Michael and Karen. It promises to be a fun day and worth the trip. Students need to be at Quinalow by 9am. Good Luck Students, enjoy the day.

Tallebudgera Camp
As time passes we will be sending more information home regarding the Camp. The final information is still being passed through, but we will need to send home medical forms. This week I will also send home some information for students and parents about the camp and what activities they offer. This is a general information booklet put out by the Camp School.

NAPLAN
NAPLAN Results have been very impressive. The overall results highlight our successes and shines light on areas of improvement. The students work well across all areas, particularly in spelling and grammar. This is a result of the programs put in place prior to NAPLAN, Great Results. The testing also highlights the need to build up reading within the school to a similar strength. The students are all reading to a high level, but this does not match the rest of their abilities. We will be putting together a program to move this forward, and skill up the students. As time passes we may be calling on parents to help out and get involved in reading. We are a strong school academically and this process will put reading up to the same high standard for our students.

Michael Sutton.

P-3 News:

We had a few students absent the last 2 weeks, but we are sticking to our daily planning and will catch up on missed work as time allows as students return to school.

Our Science Water Unit is taking shape; Students are able to:

• pose questions and make predictions
• plan activities and simple investigations, and identify elements of a fair test
• identify and collect data, information and evidence
• make judgments about the usefulness of the data, information and evidence

Our ice sailboats were a GREAT success!!

In Maths we started the “Time” Unit and all students are enjoying some of the hands on activities!
We are looking at poetry and are working on ways to change existing poems to make our own!

Hope you have a great week!
Ronel and Kim.

Pie Drive:-

Thankyou to everyone who has ordered from our Pie Drive. Delivery will be Wednesday 10th September.
Thanks Amanda and Kim.

Playgroup:-

PLAYGROUP THIS WEEK—Playgroup on Wednesday 3rd September.

P & C News:

Good luck to students competing in the Netball and Soccer carnival on Friday. Play hard and fair.
The P&C has made a big commitment to subsidise the majority of the cost of the Tallebudgera for year 5 to 7 students. We hope that all students will be able to go and have a great experience.
Our next meeting is Monday 15th September at 7.30 pm.
Please don’t hesitate to contact me if you have suggestions or concerns.

Have a good week
