**Principal’s Message:**

Dear Parents

I would like to extend a sincere thank you to all of the parents I have met over the past week here at Bowenville SS and look forward to meeting you all over the coming weeks. It has been a very warm welcome and a pleasant start to my position here as Principal. I have had the chance to work with the 4 to 7 class on Monday and enjoyed every minute. They are a great bunch, and enjoy a challenge and the chance to get to know and work with a new teacher. As the week progresses I will be able to fully engage with how things are done at Bowenville SS and will take the opportunity to work with the Preps to 3s as time progresses.

The staff at Bowenville SS, have made my first day one of the easiest of any position I have moved into. Working with a new staff in a new school can be a little daunting, but my first day has been great, thank you staff. The team work well together and made the transition for me very smooth and promises to be a great end to the 2014 year.

**Sports Day**
The Quinalow sports day is on the 25th of this month, and it promises to be a busy and enjoyable day for the students. We hope that you are able to transport your child to the event, but if this is not possible, please call the school so we can support your efforts to arrange alternative transport. Please make sure your tuckshop orders are returned by Monday 21st July.

School Opinion Surveys. These will be handed to parents, staff and students and is a way to gauge their views on how the school is running. The feedback from the survey will help support future direction at Bowenville State School. It is important not just to focus on the areas we need to improve, but also give ourselves the chance to look at what we do well. It is my belief it is easier to build on strengths and this position will shape a more positive future.

Our thoughts are with Mr John Hensel and we hope he makes a speedy recovery.

Michael Sutton.

Over the coming weeks we will be handing out the information for the 2014

Welcome Mr Sutton, Isaac and Ethan
Welcome to term 3!
We are so happy to have Isaac and Ethan Scaranari join us from Brisbane.

We will start homework in week 2. This will be a busy term once again. Students are covering “Water” in science and “communication” in history. Year 2/3 will be doing their own research in these units of work which will count towards their technology results at the end of the semester.

Please support your child with their homework and make home reading a relaxing time together. Remember our open door policy, we are always available to hear any concerns and support our students.

We are sorting our arts and crafts and are looking for any empty plastic containers with lids. Your help would be GREATLY appreciated!

Have a great week,
Ronel & Kim.

PLEASE NOTE:- Harbour Town Shopping Trip has been cancelled due to unforeseen circumstances. We will look at having another trip towards the end of the year.

NO PLAYGROUP THIS WEEK—Playgroup will resume on Wednesday 23rd July.

Thanks Kim.

On behalf of the P&C I would like to welcome Mr Sutton to Bowenville State School as our new Principal.

Thank you to all who helped with the BBQ and helped in the Tuckshop on our Athletics Day.

We have been asked to cater for a clearing sale at Wise’s. This is on Friday 25th July with washing up for St Anne’s Luncheon on Thursday 24th. This makes a busy few days, so please keep these dates free.

Have a good week. John Hensel 0429 924292
