Principal’s Message:

Dear Parents

Audit
As the weeks progress I will be putting out information about the upcoming Audits. The school will be going through a Disciplinary Audit and Teaching and learning Audit. These are part of a schools review and occur around every 2 years. The review gives us a chance to work through how we do things at Bowenville SS and make changes or build on good practice. If you have any questions regarding the process please do not hesitate to make a time to come and discuss these with me.

Bunya Sports
We have several students heading off to the Bunya District sports day, this Friday. I wish them all luck and most of all hope they enjoy the day. A chance to compete against a greater pool of students is always challenging and helps students set their own bench marks.

Woolshed
We have the chance for students to participate in the Jondaryan Woolshed Coral. The students had been working on the song the boys from the bush, and kindly Mrs Gleeson, from Dalby High will coming to Bowenville to work with the students on Friday the 8th and 15th. The coral is on the 17th and you will find the attached running sheet for the day. This is not a compulsory school day or event, but just a chance to get out and enjoy with the broader community.

School Opinion Survey
The deadline for the school opinion survey has been extended to the 8th of august. So if you have not had time to get online and get it done, the please take the time.

The Soccer and Netball Day
The 5th of September is the Quinalow soccer and netball carnival. It looks as though we may have a team or chance to have competitors in both sports. The students are preparing themselves each day and working out positions and strategies. It promises to be another enjoyable day of sport with cluster schools. Hope to see you there.

Thursday
Last Thursday I had the chance to work with a larger than usual group of principals from around the Dalby area. We were looking at our data and setting targets and strategies for our schools. The chance to work with so many like schools is a rare opportunity and one that we have asked to continue. Bowenville looks to be in a solid position, but like anything there is always room to improve.

Michael Sutton.

P-3 News!
We are working on a Money Unit in Maths. Please encourage your child to count the change in your purse and play "shop" at home. We are setting up a shop in our class and are looking for empty containers we can use to "sell", e.g. cereal boxes, lolly rappers, etc.

Home reading was sent home once again with the homework yesterday; please remember to spend at least 15 minutes each night reading with your child.

Also remember to test your child’s spelling before the post test on a Friday morning. We are hoping that this would better the test results.

Have a great week,
Ronel & Kim.

Playgroup:
PLAYGROUP THIS WEEK—Playgroup on Wednesday 6th August. 9am-11am. Please bring a piece of fruit to share.

P & C News:
A late thank you from me for all those who helped with the Washing Up and provided food for, and/or helped at the Clearing Sale in the previous week. A big thank you goes to Karen Smith for once again organising the catering of the Clearing sale. $500 was raised from the washing up and over $900 from the Clearing sale.

Thanks to all those who help with tuckshop. More help is still needed, so if you can, please see Tami. Please remember, even with small children, it is possible to assist as the Morning Helper.

Our next meeting is Monday 18th August 7.00pm.
Have a good week
