Dear Parents

The TADOSM catering weekend was a huge success and the contribution given by parents and staff was much appreciated. I am sure that the students will benefit considerably from all the hard work through the P&C contribution to the school.

It has been brought to my attention that there are several students who fail to complete their homework every week. We are a homework school and all students are expected to complete their homework. If your child is unable to do this then please contact your child’s teacher to explain the issue being experienced and allowances can be made. If we do not hear from you then your child will be required to complete their work in their own time at school. Notification can be made by email, text, note or a phone call to the office. All homework is expected to be completed and handed in each Friday.

I will be attending QSIL (students with a disability) professional development for principals in Kingaroy on Thursday and Friday. Mrs Goodwin will be taking my class on Friday to the cricket carnival.

The Jordaryan cricket carnival will be held on Friday at Jordaryan. Play begins at 8.30am and transport is the responsibility of the parents. If you are unable to transport your child please arrange transport with another parent.

The draw and tuckshop notes will be sent home today with the students. If your child is in 3-6 and is not attending the carnival please advise me by tomorrow so that other arrangements can be made here at school for your child’s supervision.

We have been notified that the “Totally Wild” program that was filmed with our students at the beginning of the year at Bowenville Reserve will go to air on Wednesday 6th November at 8.00am on Channel 11. We will tape it here at school to ensure the students get to see it.

I had a conversation with HR on Friday and I am happy to confirm that Mrs Genis’s contract will be extended into Semester 1 of 2014 pending day 8 enrolments. At this point we have predicted enrolments of 31 for 2014.

Have a great week everyone!

Lee

We will once again have a very busy week with a lot of exciting learning activities to cover. The sound of this week is oi/oy, and you might notice some pirate talk from the students. We were shipwrecked and called for help! (Oi! Oi! Oi! Ship ahoy!) Please keep reading with your child every day and practice those sight words, because this will help them with all the learning activities we do in class. We will be starting a data unit in mathematics, the year 1’s are doubling and halving and the year 2’s are counting in 2, 3, 4 and 5. Science for the week: ”Using light in everyday life.” We will start planning the toy we need to build in week 7/8. If you have any toys with sound and light that we can record on a data sheet, please send it to school. Have a great week!

Ronel Genis—P-2 Teacher rgeni1@eq.edu.au

All the students were very happy with their moderation results from their English assessment at the end of Term 3. Copies of the student’s poems and persuasive text will appear in this year’s school magazine as they are fantastic. The struggles with our latest technology task continue but the discussions in class are helping with completion of the task. Some students have completed and will be testing this week. All students will be completing their assessment in other KLA’s over the next couple of weeks for reports which will be issued in week 9. The students in Year 5/6 are enjoying the stories by Jackie French.

November 1st is Tuckshop Day – a huge thank-you to our hard working Tuckshop Convenor and volunteers who help provide our ever-hungry school children with delicious and nutritious food and drinks.

A big thank you to Karen Smith and Matt Finch for the huge effort they put in to organise the P&C Food Stall for TADOMS over the weekend. It was a very successful weekend, with about $4000 raised. Thank you to the following people who worked and/or baked for the weekend – Smith’s, Finch’s, Cleary’s, Hensel’s, Cornford’s, Mears/Cleary’s, Lee Miller, Lee Magnussen, Jo Biitoff, Kim Welke, and Beth Carter. Thank you to the Morgan Families for the use of the cold room, and Brymaroo Campdraft & Rodeo Assoc for the use of the chip cooker.

A Special Meeting will be held on Monday 18th November at 7.30pm to select an auditor for our books.

This is a Department requirement, and the normal monthly meeting will follow.

Have a good week John Hensel 0429 92 42 92.

Measles health alert

Queensland Health is concerned about the number of measles outbreaks in Queensland this year. Measles is a highly infectious disease that begins with symptoms such as fever, tiredness, cough, runny nose and/or red inflamed eyes. Measles can lead to complications such as middle ear infections, pneumonia (lung infection) and encephalitis (inflammation of the brain).

Measles can spread very easily. Vaccination is the only way to prevent measles. Queensland Health encourages anyone who has not had two measles-containing vaccinations, or who is not sure about their vaccination status, to get vaccinated as soon as possible. The measles vaccine is free from your local doctor for anyone born from 1966 onwards.

If parents think their child might have measles, they are advised to keep them away from school and make an appointment with a doctor or phone 13 HEALTH (13 43 25 84) to organise medical assessment.
