Principal’s Message:

Dear Parents

Thank you to the P&C for such a warm welcome and a chance to work with them in supporting the students at Bowenville State School. We are looking into the prospect of a local camp, to connect the students with the local environment and continue the schools involvement with environmental care.

I had discussed with the staff and P&C the Discipline and Teaching and Learning Audits. These are scheduled for the 3rd of November and require the school community’s involvement. Over the course of the coming weeks I will be including some information and questions for all to pursue and hopefully discuss these with myself and at P&C meetings. The audit process is a part of the review process and helps schools set future direction and build on strengths and improve on identified targets.

Next week I will be working with other small school principals to set and identify goals for their schools. The opportunity to work with this group to support the school cluster is a valued opportunity, providing professional guidance from peers.

Don’t Forget - Sports Day
The Quinalow sports day is this Friday, hope to see as many of you there helping out and enjoying the time with the students and mixing it with the local schools.

School Surveys
This week the school surveys are due, the students will be doing theirs today, and it is hoped that staff and parents are able to complete their surveys this week. The final date for access to the online survey is the 3rd of August, so please get in early so that you avoid the last minute rush.

Michael Sutton.

P-3 News:
Term 3, week 2, is a sad time for some students because homework was sent home yesterday! Please remember to support your child with their homework and make home reading a relaxing time together. Try not to leave all the homework for a Thursday. We are doing our spelling test on Thursday because of the sport on Friday. Please test your child before the spelling test; some student's spelling results have not been up to standard last term.
Isaac and Ethan survived their first week at our school and the students enjoy their company.
As a reminder, we are covering “Water” in science and “communication” in history and Year 2/3 will be doing their own research in these units of work. Please send any old communication devices to school (phones, exc.)
Remember our open door policy, we are always available to hear any concerns and support our students.

Have a great week,
Ronel & Kim.

PLAYGROUP THIS WEEK—Playgroup will resume on Wednesday 23rd July.

Thanks Kim.

P & C News:
Thank you to those who attended the P&C meeting last night.
We still need more help for both the Washing up this Thursday for the St Anne’s Luncheon at Oakey, and on Saturday catering for Wise’s Clearing Sale. If you can help on one or both days please let me know. As a result of parent responses to the Murray Darling Excursion Surveys from last term, it was decided at the last night’s meeting not to proceed with a Lower Condamine trip. Instead a trip to the Bunya Mountains including getting involved in a Biodiversity Enrichment project at the foothills of the mountains will be investigated. Student’s involvement in this may include tree planting and fauna surveys. It would be proposed that all Bowenville students could be part of this excursion. As it is not that far away it was suggested that ongoing involvement could occur in the project, or could spin off into the project at the school. More info to come.

Have a good week
John Hensel 0429 92 42 92

Mince Roll and Warm Milo —$5.50

Thursday 24th—Scott and Susan Radke (All Day)

Please contact me if anyone can help next Thursday 31st as I need a morning and all day helper.

Need Volunteers—please let me know if you can help ASAP so I can arrange the roster.

Tami Mears—Tuckshop Convenor 0428 385122
I would like to thank everyone for the wonderful send off and retirement farewell. It was certainly a night to remember. To Amanda and Kim and the members of the PSC who contributed to the night, what you did did not go unnoticed. The night was full of fun and one that will be remembered forever. The testimonials by the students and messages from both staff and community are very special, overwhelming and humbling. They are something I can look back on for years to come. The gifts that I received are truly magnificent and very much appreciated.

I hope that you have all settled well into the new term and that it is not too cold for you all. Please keep in touch; my email is lee.miller4@bigpond.com

Cheers Lee.

HORSE ADJUSTMENT:-

Michael and Jo Sutton are looking for adjustment for their two horses. If anyone is able to help out with this for a short time could you please contact the school.

Many thanks.
