Dear Parents,

I would like to thank all those who attended the ANZAC service at Jondaryan last Thursday. Our school was very well represented. I would also like to congratulate Daniel, Kristen and Lachie for the heartfelt and professional way they recited their poem. It was a credit to you all.

I would like to thank Tami Mears for transporting our school leaders to the mayoral morning tea in Toowoomba yesterday. Due to unforeseen circumstances I was not able to go with the students. I would like to commend them all for their good behaviour and the way they represented our school. The feedback was very positive.

I have noted that there have been students coming to school before 8.00am of a morning. Please be aware that there is NO supervision prior to this time and it is not safe for children to be at school at this time.

There seems to be a highly contagious stomach bug going around at the moment so please make sure that if your child is unwell they are kept home until safe to return without infecting other students. Please also note that there have been cases of head lice and nits over the last couple of weeks. Please be vigilant and make sure children are treated before returning to school.

I would like to congratulate all the students who participated in the Quinalow Cross Country last Friday and specially congratulate Brooke Webb and Brendan Dale for being selected in the Quinalow Cross Country team to participate at Bell next Friday 10th May.

There will be no music this week as Mrs Cuskelly is on long service leave for the week and she is not being replaced by the department. Mrs Cuskelly informed me last week that she has nominated the students in the choral section of the Dalby Eisteddfod. I do not have the dates as yet.

The parent survey for the whole school excursion is being sent out with students today. Please make sure you receive it and have it sent back to school by next Friday 10th May so that data can be collated by the committee as soon as possible and arrangements can be made. I would like to thank the committee for their input into this survey.

Have a great week everyone!

Cheers Lee

P-2 News:

3-6 News: We are well and truly into our new units for the term. We are studying Light in Science and the new History unit instead of SOSE. The 5-6’s are using animation to create stories and the 3-4’s are working on an understanding of characterisation to develop storylines. They are getting very excited about being able to create their own claymations at the end of the unit. In Maths this week we are gaining a deeper understanding of 2-D and 3-D shapes. Over the next couple of weeks we will also be working on getting some practice to help with the NAPLAN assessment that is in week 6. If you have any questions about your child’s learning please email me (lmill98@eq.edu.au) and I am happy to answer these questions.

Lee Miller.

Book Club

Just a reminder that Book Club orders are due by Thursday 2nd May. Please note—no cash accepted. Thank you.

Playgroup

Bowenville State School Playgroup meets every Wednesday morning, from 9:00 – 11:00am at the school. The first 2 sessions are free, then you must become a member of Playgroup Queensland to continue to participate, for insurance purposes. For enquiries please contact the school.

P & C News:

Congratulations to the winners and all the students who competed in the school cross country last week and those students who represented Bowenville at the Quinalow cross country. A late thank you to the students and staff for putting on the expo a couple weeks ago. It was very interesting and informative to hear what students had been learning last term. On Saturday 10am at the hall, past Bowenville student Jane Grieve is having a book launch. (See flier)

Thank you to Louise Cornford for organizing the cuppa for this. Our next P&C meeting is Monday 13th May 7.00 pm

Have a good week.

It’s simple to participate in the Woolworths Earn & Learn program. From Monday 8th April—Sunday 9th June 2013, when you shop at Woolworths you will be given one Woolworths Earn & Learn Point for every $10 you spend. Our school will then be able to redeem these for fantastic new educational resources.
