Principal’s Message:

Dear Parents

We are getting very close to the end of term with less than 3 weeks to go. All students will be finished their assessment tasks in the classroom and their standardised assessment with Mrs Hensel by today and teachers will be busy completing report cards so that they are released before the end of term.

Last Thursday our students attended the Touch day in Dalby conducted by The Bun School. It was a great day and the weather was great for the day. I am very proud of how well our students conducted themselves and the sportsmanship they displayed.

This Thursday the 4-7 students will be attending a session at Oakey Creek, Wainui with Condamine Alliance to plant trees and participate in another episode of Totally Wild. Permission notes are going out today. Parents are most welcome to attend. Please let me know how many will be attending as Condamine Alliance will be catering for lunch. If you wish your child to feature in the filming of Totally Wild please sign and return the Child Talent Release tomorrow. Condamine Alliance is providing a bus to transport the students to and from the creek.

It was great to meet Mr Sutton who came to visit us this morning on his way back to Augathella after the long weekend. I am sure that he will fit in well at Bowenville. He is very excited about coming here and looking forward to coming to this great school and community.

As the weather is getting much colder of a morning and warming up through the day, please make sure that all your child’s clothing is clearly marked so that if left lying around it can be returned to your child.

Have a great week everyone!
Lee.
Well, we are all working at a 180% pace in the P-3 classroom! It is assessments and finishing off units of work. Mrs. Newton had her last of 15 days with us on Friday and we were all so sad to see such a motivated educator go! We will truly miss her. Just a reminder that the P-2’s will not have any homework for the next 2 weeks due to all the assessments in class. Year 4’s doing fractions with Mrs. Newton.

Have a great week,
Mrs. Genis and Welke.

P & C News:

Please remember to support the P&C by taking your glass bottles and aluminum cans to the recycling depot at the back of the school and encouraging other people in the area to do the same. This is on the outside of the new locked gates and can still be accessed from Railway St at any time. Please keep cans and bottles separate and put cans in the big bags and bottles in the drums. Thanks to Peter Waite for continuing to run this.

We have fundraiser on 24th July ie washing up for the St. Anne’s luncheon at Oakey. Our P&C meeting is this coming Monday 16th June at 7.00pm. Everyone welcome.

LOST
While helping with the catering at the clearing sale on Saturday, my Navy zipper front fleece jumper has gone missing & I was wondering if someone picked it up by mistake or if it got packed up with school things after the sale. (Beth Carter)
