Principal’s Message:

**Kitchen Garden**
Kitchen garden is on again next Thursday. The students will be able to use many of the new items donated by parents and community. Thank you, it all helps.
The students have started planting in the front garden beds. It is hoped that they will be able to trial some plants and get herbs up and running.

The larger beds will take some time to prepare but have been a source of fun as the students discover the overwhelming number of worms in the ground.

**Training Days**
This week is the fifth of 5 training modules for the Darling Downs Region. The focus is on clarity and consistency of approaches to teaching. The focus on the ‘HOW’, the importance of the content can only be accessed by students if they are taught in such a way that the information is retained. The measure of effective teaching is the students learning.
Dr. Anita Archer has been asked to address the delegates and the experience is very informative and enjoyable.
The training has also included information for the trainers to make their sessions more interesting and effective.
The focus of the training is to bring back the information to the small schools within the Dalby Cluster, and share the training across the schools.

**PBL**
The focus for staff this week is to catch students being good. The reward system is one of the areas we are ahead of with regards to a positive behaviour program. The focus is on the positives and using these to teach students.
Students will be caught Being a Learner, or Respectful or Safe. This places a different slant on the idea of being caught. It is now a positive experience for students and a chance to be recognised for what they do every day at school.

**Reminders**
Photos are coming up so please do not forget to make sure you are organised for the day. If you are after a sibling photo we still have forms in the office and don’t forget eKindy parents to have your forms in, as they will also be a part of the day.

Michael Sutton.
COMMUNITY EVENTS:

**COMMUNITY EVENTS:**

**TENNIS LESSONS**
Tennis Lessons in 2015
At the Bowenville SS
Lessons for all ages & standards
Friday mornings before school

Many thanks to Fallon, Naomi and Elissa for their baking and help at tuckshop this term.

 Helpers will be needed for tuckshop roster in Term 3. Can you help to ensure tuckshop is still available to your child/ren and others? It isn’t difficult and hours of operation are usually only 9.30am to 1.45pm. Please let me know how you can help.

Karen Smith, tuckshop convenor ph 0407 765646
