Remembering Tialeigh – report.

A simple phone call is all it takes, and if we are not able to answer please leave a message.

School Surveys

School surveys will be going out again this week and similar to last year they will be online. The students will also be doing the surveys online again, with the support of staff to help read the questions. I will send out a note with the appropriate log in paperwork and encourage all to take the time to provide feedback to the school.

Quote of the Week

Kindness is the language which the deaf can hear and the blind can see.

Welcome Back

I would like to welcome all students, staff and parents back to term 3. We have started the term with a strong focus on numeracy and have continued the amazing work the students have made in reading. The students are keen to continue to put their efforts toward the school grounds and we are looking at putting together a few more submissions over the next few weeks.

I would like to commend the students on attendance. We have come out of the cold and flu season and have a remarkable level of attendance. The students have a strong commitment to learning and each other and this makes the atmosphere at the school all the more enjoyable.

Well Done Students a huge effort!!!

School Focus

Sports Day – The re-scheduled sports day is this Friday and it looks like it will be touch and go as far as the weather is concerned. If we have to call it off I will let everyone know Thursday morning, as soon as possible. The alternative would be to spread the events over the next week so that we can run the events before Quinalow. Quinalow Sports Day – I have sent out the tuckshop order forms for the Quinalow sports day. If you have not received it yet, and need a new one please call the school. Friday the 22nd is the date, and parents are asked to transport their children there. If you are not able to arrange transport on the day, we are happy to help out. Rather than come to school it is suggested that you head to Quinalow directly. The school war cries start at 9.00 with events starting at 9:15 am.

School sport – we are trying to organise football (soccer) for the term, but the only option we have is for 3 full day sessions. The trainers are from Brisbane Roar, and travel out for the day. We have secured the funding but are at this stage trying to lock in the dates.

Same Day Notification – I strongly urge parents to continue to contact the school as you all have, in the morning to let us know if your child is going to be absent. We have a high level of communication in the school and this is great to see. But the new process is to make sure this continues and all schools have been asked to follow the recommendation. Currently we are moving to same day notification where we will call in the morning if a student is absent. This is in response to the finding of the

Over the holidays some incredible families gave up their time to bake and sell goodies at the Election Day cake stall. Thankyou so very much to the Hensel, Sutton, Wise, Cleary and Smith families for their generous support.

Looking forward to seeing you all at the sports carnival on Friday. Good luck students! Do your best and keeping smiling.

There will be no tuckshop this Thursday due to Friday’s sports carnival.
If you have any changes to your sports carnival orders just let me know and I can give you money back.

Cheers

**The Sport Carnival Lines**

For sports practice we like using our lines for our sports carnival. We like running up and down the lines. We also like to run around the oval. Our school likes to throw and catch and do all the other sport things. We love our Sports Carnival.
