Principal’s Message:

Dear Parents

I would like to thank all those who have taken the opportunity to have interviews with your child’s teacher. It is a great time for us to share information about your child’s learning. We are still able to see parents who would like to make an appointment over the coming weeks.

During the last few weeks our local policeman has been making routine passes through the area and has drawn to my attention that some drivers may not be adhering to road rules. Please make sure that you do not park in the bus zone out the front during the designated bus time slots as warnings will not be issued.

The Quinalow district athletics’ carnival is on this Friday at Quinalow. Students are asked to be there for briefing at 8.45 for a start at 9.00am. Transport is the responsibility of parents so if you are unable to attend please make arrangements with another parent. Tuckshop order notices were sent home this week. Please make sure that your child has a hat, water bottle and warm clothes as the weather is expected to be cold. If your child is not attending please make sure that we are notified. All teachers will be attending the carnival. Students are to wear their sport uniform.

There was 42mls in the school rain gauge this week. The weather is expected to be a lot colder in the next few weeks so please make sure your child has their warmer school clothes over the top of their uniform.

To fit in with the P-2 health unit for the term we would like to take the P-2 class to see the Protective Behaviours Pantomime at the Empire Theatre on Tuesday 3rd September from 11.15am to 12.00pm. We would like to have parents transport the students so if you are able to help please let me know. There will only be 10 students attending with Mrs Haylock. If you have any enquiries please let me know.

The school opinion surveys will be distributed to parents this week. This is an opportunity for parents to rate the learning that your child receives at Bowenville and in general our performance as a school. The positive feedback that we receive is then taken on board in our school improvement plan each year. Please fill them out and return them to the school in the sealed envelope provided to maintain your anonymity and confidentiality. Staff and student surveys are filled out online in a

random sample of the upper class students. Please return the surveys by Friday 2nd August.

Have a great week everyone. I look forward to seeing you all on Friday.

Lee

If you are wanting to pre order Tuckshop for Friday please send it to our school before Thursday. Tuckshop can be purchased on Friday.

Rookies2Reds
Date: Sunday 4th August
Time: 8am – 1pm
Venue: John Ritter Oval
Ages: Boys and Girls, 5yrs – 11yrs old
Fruit and muesli bars will be provided on the day to keep the players energy up.
What to bring?
A hat and water bottle are the 2 most important things to bring to the clinic and Id also recommend sunscreen.

Time is simply flying by already this term. We are still looking at poems this week and exploring the unique language used. We will begin our testing on poems next week. In maths, we are looking at basic addition (Prep), basic addition and subtraction (yr 1) and addition and subtraction with regrouping (year 2). They are all taking to it quite well, we just have to reinforce our recall basic addition facts. In Science, we will explore the ways of representing weather and expel some common weather myths. This term in History, we are going to make time a class time capsule, so from time to time children might come home and ask if they can have something to put in it. This, of course, will be up to you, however the more they can contribute, the deeper their understanding will be. We are continuing our drama unit this week, which I’m sure you have all heard about as the students absolutely loved it. This week they will meet the mayor in order to try and stop this giant throwing tantrums.

Kathryn Haylock—khayl7@eq.edu.au

This week the older students have completed their first Math assessment for the term. This proved to be a challenge that was met with enthusiasm. In English we are working on the language conventions and text features of traditional short stories and letters from the past. Over the next couple of weeks we are drawing and painting using warm and cool colours. Once the Art unit is complete we will move onto technology. Please make sure that all students return their homework each Friday. There are some children who regularly fail to hand in their homework. This does not meet the high expectations that are set in the class. If you have any concerns please contact me by email lmill98@eq.edu.au.

We had a lovely day on Saturday despite the rain with 39 shoppers on board. We would like to take this opportunity to thank Rosemary Goodwin for all her hard work running the games on the bus and to all the lovely people that helped us out with cooking and bringing their thermoses for our beautiful morning tea.
We are pleased to announce that we have raised $857 profit for our Playgroup. Thanks again to everyone who helped us in any way by donating prizes for our multi draw raffles and lucky guess raffle.

Thanks Kim and Amanda.

Next P&C Meeting 19th August.
Have a good week—John Hensel 0429 924292

Tuckshop will be cancelled this week due to St Anne’s Guild Luncheon. More volunteers are needed for Thursday tuckshop. Please contact me if you can help.
