**Principal’s Message:**

**School Focus**
Soccer – We have the Brisbane Roar development coach coming out this Thursday and again on the 11th and 25th of August. It will be a busy day, as it is all day soccer and kitchen garden. This program is a part of the Roar’s development program, and the funding was made available through the Sporting Schools Program.

**Quinalow Sports Day**
Well done to all of the students. For a small school we put in a huge effort. Congratulations to students for taking out the trophy. We also had many standout performances on the day, April, Christian and Campbell for taking out age champions, WELL DONE!!! We have three students going on to districts, so Eliza, Kelly and April have more running ahead of them.

**National Tree Day**
This Friday is National Tree Day at Bowenville State School. We will start the day by learning about trees, and the role they play in the environment. We will then head out to plant some trees. The day is organised by Planet Ark and is a chance for us to do our part for the local environment. This is a good cause and a chance for the students to get outside and enjoy the great weather we are having at the moment.

**School Surveys**
School surveys are due to be completed by the 29th of July. If you need any help with accessing the survey, or need some aspects clarified please call the school.

**Quote of the Week**
Even if I knew that tomorrow the world would go to pieces, I would still plant my apple tree.

Martin Luther

Michael Sutton.

---
