Principal’s Message:

Focus For the Week
NAPLAN Results – We have our NAPLAN results in and the students have done very well. Big effort students. The results are a point in time measure to support the future teaching focus. Our reading results have lifted and are on par with the other areas of literacy. A continued focus in this area will cement the work done thus far, and should continue the upward trend. Painting the Pathways. The students and staff have been working at beautifying the school. The paths are getting a makeover. The first section is done with more to come. It looks great, and the students are very excited about painting on the cement. Quote of the day was, “we get to paint on the path and it even stays there”. Computer Licence, students have been given a computer licence. They have a school licence and one for home. The licence has the information and passwords for access to The Learning Place, for students (Education Queensland), Reading Eggs and Sound Waves. They are using them at school and can also use them at home. As time passes and students are more familiar with The Learning Place and ELearning we will start to put some activities on there for them to use. If accessing the computer is difficult at home, students will not be disadvantaged as they will be able to use the school computers.

P&C
Next meeting is on Monday the 17th. A change of dates to avoid a clash with Rural Fire Brigade.

Staff Training
Miss Symes – has started volunteering at the school. We gain an additional helper, while she is working toward her qualifications as a Teacher Aide. A win for all and it is great to see the students benefit from her support.

Sport
Touch carnival is on next week on the 20th. The years 4 to 6 students have been in training. This is a chance for those that are serious to have a go and trial for the district team, but those wanting to enjoy the day can also play in the social carnival. Have a great day students.

Table Tennis – we were lucky to have the Dalby Table Tennis Club come and play / train the students this morning. The students thoroughly enjoyed the morning, and are now keen to setup the table and have suggested the purchase of a Table Tennis Robot. Not sure if that is going to happen, but always happy for students to put forward their ideas.

Under 8’s Day
We are happy to accept the Dalby South Schools invitation for Under 8’s Day on 1st September 2015. More information to come.

Michael Sutton.

DALBY STATE HIGH SCHOOL

We are starting to prepare for the incoming **Year 7s in 2016**.

To assist us in our preparations, we are asking for your assistance with the following –

- Please email me an Excel spreadsheet of the current Year 6 students at your school which includes name, EQ ID and Date of Birth at your earliest convenience.

- Advise us of any students that you become aware of that will **not** be attending Dalby State High School in 2016.

- Please put an ad in your school newsletter advertising our Year 7 information evening and the Transition Days (this information will be forwarded to you closer to the dates – Year 7 Information Evening on 20th October and Transition Days dates to be advised).

- Editions of our current newsletter will be delivered for distribution to current Year 6 students at your school.

Parents will be given enrolment packages at the information evening on 20th October. Uncollected packages will be delivered to your school for distribution to students.

Buy toys and gifts to help fundraise for our school!

Dear Parent,

This year we are participating in the Chalk and Parent Direct Toy Fundraiser and we hope you enjoy the catalogues. Both catalogues are jam-packed full of toys perfect for birthday and Christmas presents.

You will find toys suitable for children of all ages and interests including art and craft, games, puzzles, role play, science, sport, water toys and much more.

**How does your order help our school?** By ordering toys through the Chalk and Parent Direct catalogues, **20 cents of every dollar you spend is donated back to our school** to spend on educational resources from Australia’s leading educational supplier, Modern Teaching Aids.

On top of this, if we collect enough orders we will receive a bumper educational toy pack that will be thoroughly enjoyed by your little ones and welcomed by all.

**Ordering is easy.** Simply fill in the order form in the middle of the catalogue and return to us with your payment. We will send your order to Chalk and Parent Direct for processing and your order will be sent back here ready for you to collect. Delivery is prompt and by choosing to deliver back to our school, delivery charges are kept low.

If you can kindly return orders back by **Friday 30th October, 2015**.

**We are happy to receive multiple orders** from now all the way to Christmas. If you want to place another order at a later date, simply hand in another order form and we will send it off. It’s a really easy fundraiser because of the brilliant selection of toys and each and every order (no matter how big or small) helps us massively.

A HUGE thanks from all of us here.

Kindest regards,

Chalk and Parent Direct Toy Fundraising Coordinator

P.s. **Please tell your friends and family** about the fundraiser and let us know if you require additional catalogues or order forms.
