Athletics training – the afternoon, was fast paced and fun. The students didn’t get their hands on a javelin but if they join little athletics it is a distinct possibility this will happen.

Table Tennis – the Dalby table tennis club has kindly offered a fun day for parents and students. They are hoping there is enough interest from surrounding schools / area that they can put one on in term 4. If you would be interested could you please email us with dates that may suit so that we can forward these on to the table tennis club.

We have received a kind offer from Dalby South State School to attend their Under 8s day on the 1st of September. We will be taking our younger students and would hope that the invitations extended to our playgroup and eKindy children. If you are interested in attending please let me know by Monday the 24th so that I can give Dalby South our final numbers.

Michael Sutton.

Focus For the Week
Reading – thank you to the parents that have come in to support the school reading program. It is in the words of one of our students “evolving again”. We are working on the fab four. Prediction, questioning, clarification and summarising. All skills that we support students to employ in a more explicit way. The major change is that all students are now doing the ‘jobs’ and they are no longer being split up amongst the group. The support of an adult during reading groups is invaluable. The extension of the discussion, and the ability to guide students in the use of the text and prior knowledge to help understand is key to success.

Timetables – this week we have started our timetables groups. The focus is on developing a great knowledge of tables, linking thinking (6 timetables is just doubling the 3s etc.) and becoming more spontaneous with responses. I am not sure what a fish has to do with the process, but Mrs Hooper assures me that it is vital.

P&C
Thanks to the P&C for supporting the efforts of the school to bring a broader range of experience to our students. Keep an eye out for requests to support the cycling event in September.

Staff Training
Reading PD for teacher aides. The Ped coach team have been working with the teacher aides to build their understanding of Reciprocal Reading.

This Thursday the Behaviour team are out at their 3rd day of training. The school behaviour matrix is complete, and the next phase is the lesson sequence.

Sport
Touch carnival has changed to the 27th. The same arrangements will apply, if you are not able to transport your child please let us know and we will be able to arrange alternatives for you. It is great to see that all of the year 4-6 children will be able to participate next week. The focus of the day is to learn as much as possible, and enjoy time with the other students.

Athletics training – the afternoon, was fast paced and fun. The students didn’t get their hands on a javelin but if they join little athletics it is a distinct possibility this will happen.

COMMUNITY EVENTS:

Thanks to those who attended the P&C meeting on Monday night. Please keep Saturday morning 12th September free as we are working with the Bowenville Irvingdale Church group to cater for morning tea for the Bicycle Queensland tour. Information from the meeting as follows.

Any assistance that you can provide by way of the following will be much appreciated:

- Cooking (cakes, slices, biscuits, etc.) - please deliver to the school by Friday afternoon
- Help on the Friday with slicing, wrapping, pricing and sandwich making
- Help to set up at the church grounds in Irvingdale on Friday, 11th at 2pm
- Assistance in serving on the day Saturday 12th September between the hours 7am to 11am

We will purchase some loam to top dress parts of the oval with a working Bee TBA.

John Hensel 0429 92 42 92
P & C President

Playgroup - eKindy News:-

Thank you to all the parents who continually save their recycling items for us, such as boxes, wrapping paper, plastic containers, ribbons and numerous other items. Being so hands on at playgroup and eKindy we tend to go through a lot of these everyday items. At the moment our cardboard boxes container, (for box construction and building), is overflowing, so we don’t need any more of these for a little while. I will put a notice in the school newsletter when we are in need of some more.

If there are any playgroup or eKindy parents who would like to help out by making some coloured playdough for us to use, or bringing along a new activity for us to do at playgroup, this would be very much appreciated.

Kim Welke—kwelk4@eq.edu.au
The Bowenville Rural Fire Brigade will be having **TRAINING NIGHTS on FIRST WEDNESDAY of EACH MONTH commencing at 6pm going for about an hour, just to REFRESH members and fire fighters with various procedures and equipment.**

Any interested Community persons and Bowenville Residents are most welcome to come along and see what happens and how things work, it’s YOUR FIRE BRIGADE. If you wish Contact Mat Finch 1st Officer and Training Officer on 0418 194696.

---

DALBY STATE HIGH SCHOOL

We are starting to prepare for the incoming **Year 7s in 2016.**

To assist us in our preparations, we are asking for your assistance with the following –

- Please email me an Excel spreadsheet of the current Year 6 students at your school which includes name, EQ ID and Date of Birth at your earliest convenience.

- Advise us of any students that you become aware of that will **not** be attending Dalby State High School in 2016.

- Please put an ad in your school newsletter advertising our Year 7 information evening and the Transition Days (this information will be forwarded to you closer to the dates – Year 7 Information Evening on 20th October and Transition Days dates to be advised).

- Editions of our current newsletter will be delivered for distribution to current Year 6 students at your school.

Parents will be given enrolment packages at the information evening on 20th October. Uncollected packages will be delivered to your school for distribution to students.

Dear Parent,

This year we are participating in the Chalk and Parent Direct Toy Fundraiser and we hope you enjoy the catalogues. Both catalogues are jam-packed full of toys perfect for birthday and Christmas presents.

You will find toys suitable for children of all ages and interests including art and craft, games, puzzles, role play, science, sport, water toys and much more.

**How does your order help our school?** By ordering toys through the Chalk and Parent Direct catalogues, **20 cents of every dollar you spend is donated back to our school** to spend on educational resources from Australia’s leading educational supplier, Modern Teaching Aids.

On top of this, if we collect enough orders we will receive a bumper educational toy pack that will be thoroughly enjoyed by your little ones and welcomed by all.

**Ordering is easy.** Simply fill in the order form in the middle of the catalogue and return to us with your payment. We will send your order to Chalk and Parent Direct for processing and your order will be sent back here ready for you to collect. Delivery is prompt and by choosing to deliver back to our school, delivery charges are kept low.

If you can kindly return orders back by **Friday 23rd October 2015**.

**We are happy to receive multiple orders** from now all the way to Christmas. If you want to place another order at a later date, simply hand in another order form and we will send it off. It’s a really easy fundraiser because of the brilliant selection of toys and each and every order (no matter how big or small) helps us massively.

A HUGE thanks from all of us here.

Kindest regards,

Chalk and Parent Direct Toy Fundraising Coordinator

P.s. **Please tell your friends and family** about the fundraiser, and let us know if you require additional catalogues or order forms.
