eKindy Teachers Visit

This week we are really lucky to have Miss Sandy and Miss Teedie visiting us on Tuesday, Wednesday and Thursday from the Brisbane School of Distance Education. They have brought some fantastic activities with them and are working with all of the eKindy children over the three days of their visit. This is a very important opportunity for them to have some hands on time, with each of the children that they would not normally get. Their main contact with the children, is through Web conferences once a week with each child. It is great to see the children learning and experiencing so much with these wonderful teachers, and Mrs Welke is learning lots too.

Playgroup - eKindy News:-

Thank you to all the parents who continually save their recycling items for us, such as boxes, wrapping paper, plastic containers, ribbons and numerous other items. Being so hands on at playgroup and eKindy we tend to go through a lot of these everyday items. At the moment our cardboard boxes container, (for box construction and building), is overflowing, so we don’t need any more of these for a little while. I will put a notice in the school newsletter when we are in need of some more.

If there are any playgroup or eKindy parents who would like to help out by making some coloured playdough for us to use, or bringing along a new activity for us to do at playgroup, this would be very much appreciated.

A special thank you to Fallon Wise for making us some new playdough. Your help is very much appreciated.

Buy toys and gifts to help fundraise for our school!

Dear Parent,

This year we are participating in the Chalk and Parent Direct Toy Fundraiser and we hope you enjoy the catalogues. Both catalogues are jam-packed full of toys perfect for birthday and Christmas presents.

You will find toys suitable for children of all ages and interests including art and craft, games, puzzles, role play, science, sport, water toys and much more.

**How does your order help our school?** By ordering toys through the Chalk and Parent Direct catalogues, **20 cents of every dollar you spend is donated back to our school** to spend on educational resources from Australia's leading educational supplier, Modern Teaching Aids.

On top of this, if we collect enough orders we will receive a bumper educational toy pack that will be thoroughly enjoyed by your little ones and welcomed by all.

**Ordering is easy.** Simply fill in the order form in the middle of the catalogue and return to us with your payment. We will send your order to Chalk and Parent Direct for processing and your order will be sent back here ready for you to collect. Delivery is prompt and by choosing to deliver back to our school, delivery charges are kept low.

If you can kindly return orders back by **Friday 30th October 2015**.

**We are happy to receive multiple orders** from now all the way to Christmas. If you want to place another order at a later date, simply hand in another order form and we will send it off. It’s a really easy fundraiser because of the brilliant selection of toys and each and every order (no matter how big or small) helps us massively.

A HUGE thanks from all of us here.

Kindest regards,

Chalk and Parent Direct Toy Fundraising Coordinator

P.s. Please tell your friends and family about the fundraiser and let us know if you require additional catalogues or order forms.
