Principal’s Message:

Dear Parents

Well camp is upon us! The students are very excited about attending camp this week. The list of requirements and itinerary has been sent home with the children. The bus will be leaving the school at 9.00am so please make sure you are here in plenty of time to load up in time. We will be using medical information provided at the beginning of the year and any issues will be actioned in accordance with that information. If you have changed mobile numbers since giving your details to the school please make sure we have your updated information. I will have the school mobile for urgent contact.

At next week’s P&C meeting we will be discussing the next school camp which is proposed for October. I have had several conversations with parents about this camp and further discussions need to be had before organisation can begin. Please come to the meeting on Monday night if you have concerns or let me know prior to the meeting so that I can take your thoughts to the meeting on your behalf.

The NRL development office will be coming to the school to do some skills and fun games around league. He will be taking both classes for half an hour each.

Next Friday is the Quinalow Netball/Soccer carnival. Transport will be the responsibility of parents. If you are unable to provide transport please arrange it with another parent. Mrs Goodwin will be attending as I will be completing all end of term management tasks.

Next week I will be working closely with HR to find a suitable replacement for Mrs Haylock next term while she is on maternity leave. As soon as a decision has been made I will inform you as to whom the replacement will be.

Mrs Welke will be on long service leave next week.

Have a great week everyone and I look forward in having so many parents on board for camp this week.

Please note that students have two weeks to complete their homework as they will be away on camp Thursday and Friday this week. Feel free to send it to school as soon as it is completed but by no later than the Thursday in the last week of school. This will allow Kim to have it completely ready for next term. We are completing our very last test (for the term) this week. We will however still be teaching concepts right up until the last day as every minute counts. Have a fantastic time on camp; I can’t wait to hear all about it!

Mrs Haylock—khayl7@eq.edu.au

3-7 News:

Here we are another term nearly finished and the end of year fast approaching. Since beginning at the start of Term 3, Years 3-6 have been learning about Natural Disasters in SOSE and Packaging in Science. As part of those units the students’ assessment tasks have been to research a Natural Disaster and write an information report on their chosen disaster. They could have chosen to complete a powerpoint or poster. If your child has chosen to complete a poster they will be required to purchase a sheet of cardboard.

Students have been given all the necessary requirements to successfully complete this assessment task. As camp is this week and we have only one Thursday left to complete our posters or power points I have asked students to complete most of their work for homework. Once students have completed their good copy they will be able to bring this all in for the last week of school to complete. If students wish to complete and finish at home they may. Please be aware if they choose this option it needs to be the students work. For their Science assessment task they were required to bring in cardboard items, bubble wrap, tissue paper and any other odd bits and pieces they needed to make their package. If your child hasn’t done this already they will need to bring their items into class ASAP. This assessment task will be completed at school. On a final note we have had a brilliant, busy and exciting term and I would like to thank the staff, students and parents for making me feel so welcome and your continuous support. Have a great time at camp and holiday and I will see you all next term.

Take Care Mrs Green.

P & C News:

Thanks To all who helped at the successful Cake stall and Working Bee on Saturday. Thanks to Chris and Naomi for organizing the stall and for those who supplied the items. We raised $400 on the day and most of the sprinklers on the ovals. P&C Meeting next Monday 16th 7.30pm. The main item on the agenda is possibility of installing shade sails over part of the turf area in front of the school. We are getting some quotes, and at the meeting it will be decided whether to proceed with the project. The cost will be quite significant, so everyone’s input, re best use of P&C funds to better our school, is needed. Week-end to keep free 25th to 27th October Catering for TADOMS rally at Oakey. Please see insert re Dalby All Schools Race Day. If you are going, support the school and get your tickets at the office.

Have a good week John Hensel 0429 92 42 92.

TUCKSHOP:

Plenty of clothes in clothing pool for sale.

Volunteers still needed for next term. Please return the form as soon as possible if you can help.

Tami Mears—0428385122—Tuckshop Convenor.
Keep a watch on our school these holidays

Parents and students can help take care of our school by reporting any suspicious after-hours activity to School Watch on 13 17 88. By keeping an eye out we can work together to create a safer school community and help to reduce vandalism, theft and arson in our school. If you see something suspicious, please don’t intervene. Call the School Watch number and let the local police or State Government Protective Security Service deal with the matter.
