Principal’s Message:

School Focus
I would like to wish all a safe and happy holiday. Remember the message of the season and take the opportunity to enjoy time with family and friends. I would like to make a special mention to the senior leaving the school and venturing off to high school. Luck is made Kelly, so take your time and make it happen for you. The first day is always a little unnerving but it will all be good from there. You will be missed. The positive influence you have made in the school will be a lasting legacy at Bowenville SS.

School Captains – Congratulations to Liam and Ainslee, School Captain is a very important role, and I know they will do a fantastic job. What a great opportunity for them both. Also congratulations to Chad and April as house captains, a very busy sporting year is ahead for you in 2017.

P&C – I would like to thank the P&C for their efforts this year. It has been a standout year and they have made available to our students so much. I would like to thank each of the committee members Mrs Smith, Mrs Hensel, Mr Cleary and Mrs Sutton. Each of these people have made a significant investment in not only their child’s education, but all of the children at Bowenville State School. I would also like to thank all of the parents, past students and community members that have helped out throughout the year. We all understand that the commitment to the P&C impacts our daily lives, but the rewards for our students are well worth it. Thank you again for all of your efforts this year.

Staff – I would like to wish the staff a well-deserved break. The atmosphere at work makes this a fantastic and humorous place to work every day. The commitment that our staff show to the students is in my opinion without equal. We are lucky enough to have an amazing staffing to student ratio, but beyond that a group of people that are continually trying to better the opportunities for every child here. That is why we have had such great success. We may be seen as a one teacher school, but we are far from it. The number of staff that walk through the door each week would astound most people. Great Job Team, and a big thank you all from me and the students.

Report cards – out this Thursday with the school magazine. Mrs Morgan has been very busy putting together the magazine and has done a great job.

Kitchen Garden – We would like to thank Fallon Wise for all help with Kitchen Garden and her incredible work with the students in the Kitchen.

Reminders
Cricket Day – Thursday the 8th December (rain pending)
