Staffing
We bid Evelyn Hauff (Bub) farewell, as she has taken up a Monday position at Kulpi State School. Bub will be missed by staff and students. It was warming to see the students present her with a memento and card thanking and farewelling her from Bowenville SS. We are still working to finalise some staffing for 2015, in the wake of day 8. As we continue to progress we will keep you informed.

School Behaviour
I was pleasantly surprised to watch our students welcoming and helping visitors to our school. One lucky eKindy parent had the pleasure of being greeted and shown the way to the eKindy building by the entire student group. They were surprised and delighted to be greeted by all of the students. We have started to introduce our weekly behaviour focus. Last week it was introducing yourself and making people feel welcome. We have great students and to see the immediate impact of these lessons is a credit to them. A little positive suggestion and some focused lessons go a long way.

On the 26th of March the school behaviour team will start our first day of training for the school wide positive behaviour. The formalisation of the behaviour approach, and the development of a clear agenda for focusing on the positives, building the

language of ‘we do’ has been something identified in our 2014 Discipline Audit, and included in the 2015 to 2018 QSR.

Well done Students of the Week, the ever safe at play Connor, the great learner Ainslie and the consistently respectful Emerson.
