Principal’s Message:

Safe and Happy Holiday
I hope you have a safe and happy holiday and make the most of the time with your Easter eggs. I would like to commend the students and staff that helped out on the day. The day was enjoyed by the students and there wasn’t a drop of rain in the sky. Thanks to the students that helped set up on the day and pack up after. The tuckshop was a great success as always and would not be possible without the support of parents, thanks for giving up your time. I would also like to thank Tami Mears, she gave up her time to help out on the day.

Softball Carnival
Softball carnival was a great day, thank you to all of the parents and staff that helped out on the day. The day was enjoyed by the students and there wasn’t a drop of rain in the sky. Thanks to the students that helped set up on the day and pack up after. The tuckshop was a great success as always and would not be possible without the support of parents, thanks for giving up your time. I would also like to thank Tami Mears, she gave up her time to help out on the day.

P&C Rodeo
We have the Brymaroo Rodeo coming up this weekend and I encourage all that can to come along have a great time and support the P&C with the chip van. It is a chance to get out and mingle, but also support the school. So please make contact with Karen or any of the P&C to see how you can help. See you there.

Staff Thanks
This week has been great. I have been afforded the opportunity to work with a fantastic group of principals in central office. We have been afforded the advice, and information from the department heads as to the processes, direction and new initiatives within Education Queensland. It is not that often that as a professional you get time to focus on what it is you do, and how to better yourself, but the end game is to better the education of students. I would like to thank Rosemary and Kim for taking over and running the show, I have been reliably informed that the students are having a great time in my absence. I have had many opportunities to discuss Bowenville SS and just how great the school is. And in comparison we are. The students are without doubt the best behaved, and keen to learn, the staff are committed and parents supportive. It is times like this that you get to see the forest and not just the tree you sit under. See you all on Thursday.

Michael Sutton.
