Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Employ early years Teacher Aide to manage oral language program for Prep students.
- Extend Support Teacher time to develop and maintain intervention programs.
- Intensive program to extend targeted students reasoning skills in mathematics.
- PD for staff around mathematics programming, stemming from diagnostic data.

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 Investing for Success agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Employ a numeracy coach to build staff capacity teaching numeracy within the school, (developing numeracy framework, reviewing standards of evidence within the school)
